CUSTOM CABLES & WIRING

WHY MONROE?

Monroe is a leading manufacturer of custom cable assemblies and wiring harness solutions for industrial, military & defense, and commercial applications.

Our rugged cable & wiring solutions are designed to perform at the highest level under the most extreme conditions. Like all of our product lines, we pride ourselves on delivering high quality, reliable product solutions that perform where other cables and wires continually fail.

Our custom cable & wiring team has continuously exceeded customer expectations with our wide array of custom capabilities and the emphasis we put behind our customer service methodology. Whether you are in the initial stages of design and prototyping, OR ready to start producing at volume, our flexible, experienced team can jump in during any point to collaborate, consult, and deliver to your specifications.

No documentation? No problem! Our devoted team of industry experts can work with anything from a loose concept all the way up to a blueprint or physical sample.

 **THE MONROE TEAM IS READY TO EARN YOUR TRUST!**
